□ CAROLINE® HOME & LIVING

Photo by Javier Miranda on Unsplash

CAROLINE* ist ein innovatives und patentiertes Einrichtungssystem von [concept-s], das durch filigranes Design aus dünnen Stahlprofilen besteht. Dank der Variabilität in Höhe und Breite eignet sich CAROLINE* perfekt für alle Wohnbereiche und Lebensräume.

CAROLINE* is an innovative and patented furnishing system from [concept-s] that impresses with its filigree design made of thin steel profiles. Thanks to its variability in height and width, CAROLINE* is perfect for all home areas and living spaces.

* eingetragenes Deutsches Gebrauchsmuster Nr. 20 2021 100 626 / Europäisches Patent Nr. EP 4 039 131 B1
* registered German utility model no. 20 2021 100 626 / European patent no. EP 4 039 131 B1

Entwurf & Planung

design & planning

Ihre persönliche Wunschausstattung können Sie mit dem CAROLINE HOME & LIVING Konfigurator selbst zusammenstellen oder Sie erhalten von uns eine persönliche Beratung mit einem maßgeschneiderten Angebot.

You can create your own customised design using the CAROLINE HOME & LIVING configurator - or we will be happy to advise you personally and prepare a made-to-measure offer for you.

flexibel & vielseitig

flexible & versatile

1 System - unzählige Möglichkeiten:
durch das einfache Umbauen von Gitterstruktur und / oder Komponenten entstehen immer wieder neue individuelle Einrichtungselemente

1 system - countless possibilities:
by simply converting the grid structure and / or components, new individual furnishing elements are created continuously

Verpackung & Versand

packaging & shipping

Durch den modularen Aufbau kann CAROLINE in kompakten Verpackungseinheiten versendet werden, das spart Platz, Kosten und schont die Umwelt.

Due to its modular concept, CAROLINE can be shipped in compact packaging units, which saves space, reduces costs, and protects the environment.

hochwertig & nachhaltig

high-quality & sustainable

Die hochwertigen Materialien gewährleisten eine lange Haltbarkeit und durch die verschiedenen Verwendungsmöglichkeiten ist CAROLINE besonders nachhaltig.

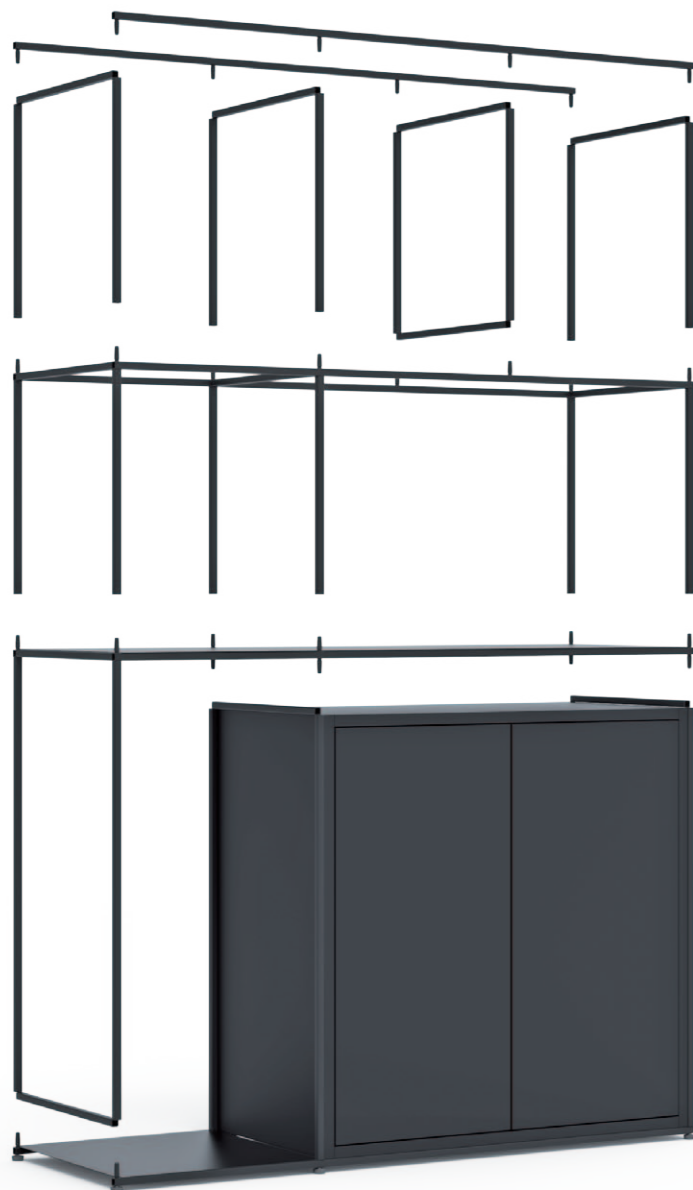

The high-quality materials ensure long durability and the various possibilities of application make CAROLINE particularly sustainable.

Gitterstruktur

grid structure

Unser innovatives Einrichtungssystem ist in verschiedenen Höhen und Breiten erhältlich. Entscheiden Sie sich für Ihre passende Größe in hoch- oder querformatiger Ausrichtung und wählen Sie Gitterstruktur und Komponenten nach Ihren Wünschen aus.

Our innovative furnishing system is available in various heights and widths. Decide on a suitable size in portrait or landscape format and select the grid structure and components according to your requirements.

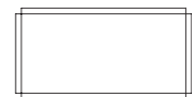

Längsstrebe

H = 192 - 372 mm

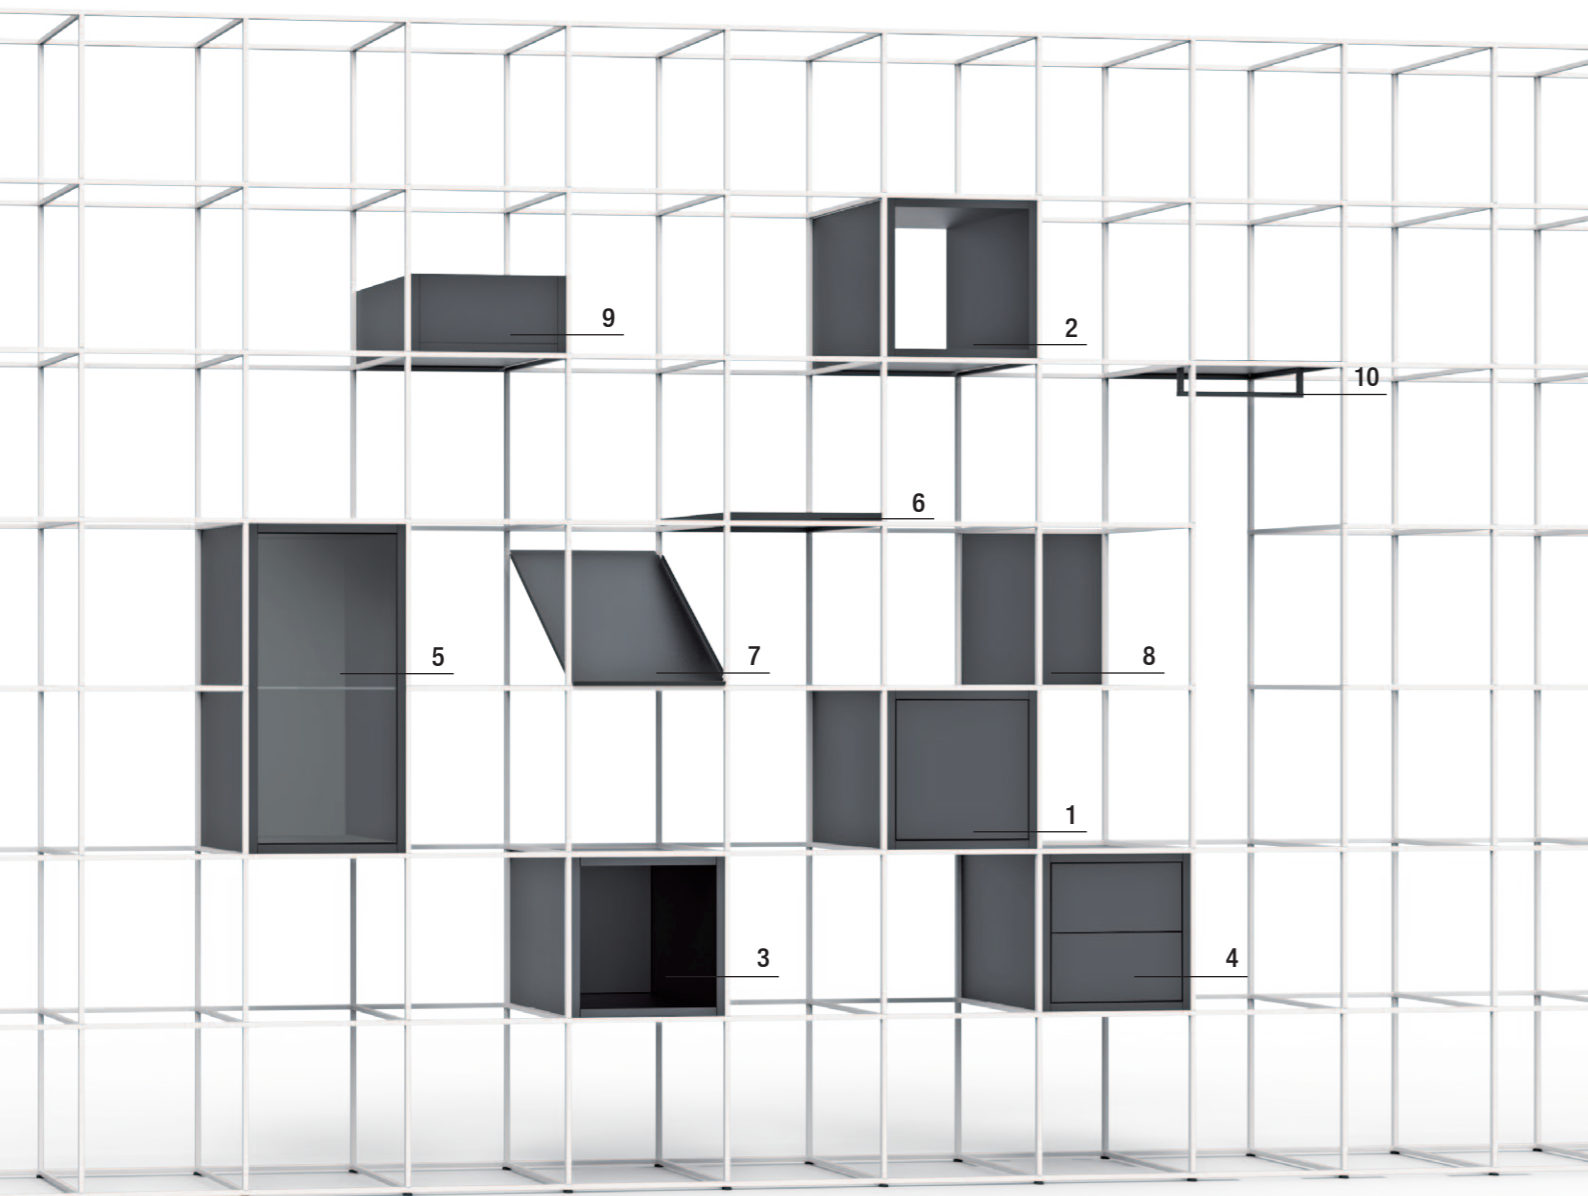

CAROLINE[®]

by [concept·s]

Einfacher und schneller Aufbau
ohne Spezial-Werkzeug dank
unserem patentierten Stecksystem

Quick and easy assembly without any
special tools thanks to our patented
plug-in system

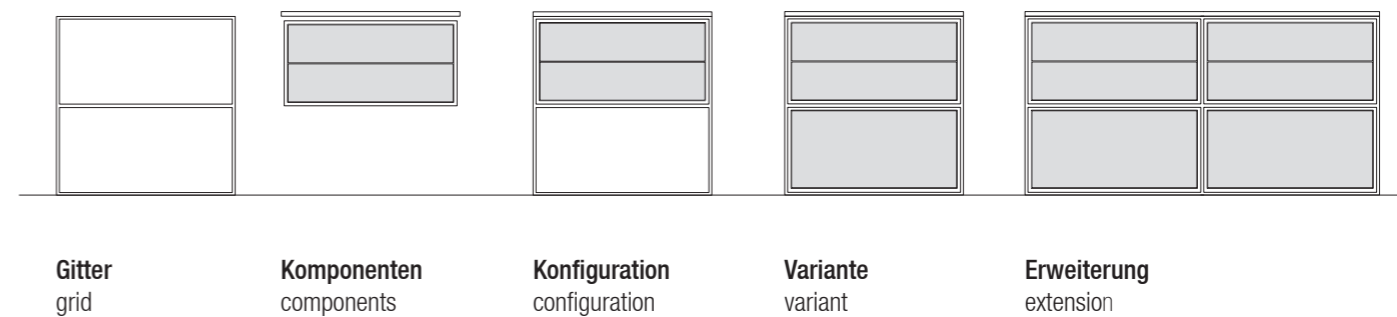

Aus der Kombination von Gitterstruktur und Komponenten ergeben sich unendlich viele Konfigurationen, die Sie stets nach Ihren Bedürfnissen anpassen und somit jedes Möbel zu Ihrem persönlichen Lieblingsstück machen können.

The combination of grid structure and components results in an infinite number of configurations that you can always adapt to your needs, making every furniture item your personal favourite.

- | | | | |
|----|----------------------|----|------------------------|
| 1 | Korpus mit Tür | 1 | corpus with door |
| 2 | offener Korpus | 2 | open corpus |
| 3 | Korpus mit Rückwand | 3 | corpus with back panel |
| 4 | Korpus mit Schublade | 4 | corpus with drawer |
| 5 | Korpus mit Glastür | 5 | corpus with glass door |
| 6 | Ablage | 6 | shelf |
| 7 | Schrägablage | 7 | inclined shelf |
| 8 | Rückwand | 8 | back panel |
| 9 | Pflanzbox | 9 | planter box |
| 10 | Kleiderstange | 10 | clothing rail |

Alle Komponenten wie Ablagen, Korpusse und sonstige Elemente werden ganz einfach an den gewünschten Positionen in der Regalstruktur eingesetzt.

All components such as shelves, corpuses and other elements are also simply inserted at the desired positions in the modular structure.

Konfigurator

configurator

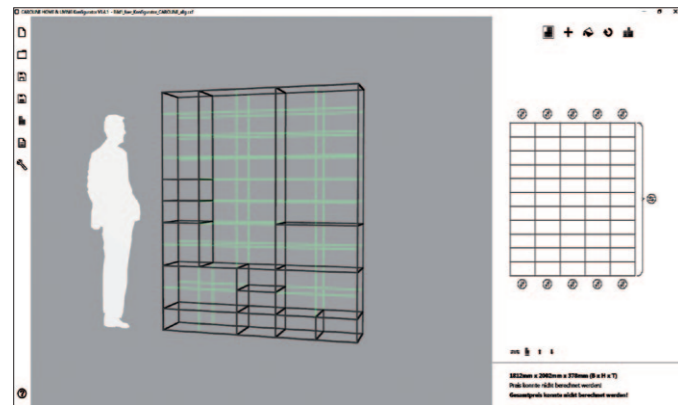

Mit unserem kostenlosen CAROLINE HOME & LIVING Konfigurator können Sie Ihre eigenen Einrichtungsmöbel und Wunschausstattungen individuell zusammenstellen und mit einem Klick bestellen.

www.caroline-system.com/de/downloads

With our free CAROLINE HOME & LIVING configurator, you can put together your own customised furniture and features and order them with just one click.

www.caroline-system.com/en/downloads

Gitterstruktur

grid structure

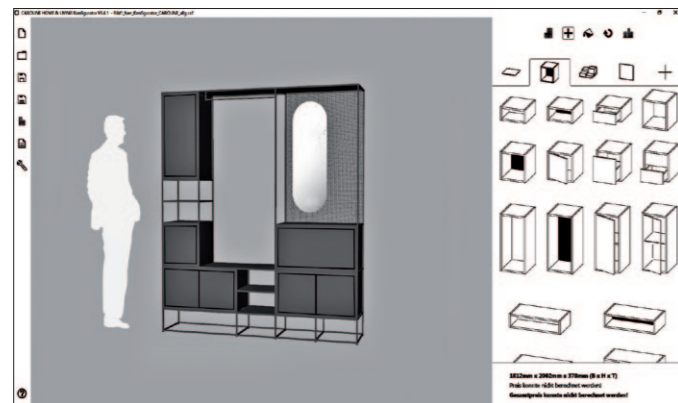

Gitterstruktur bearbeiten:

- Gitterstruktur in Höhe, Breite & Form festlegen
- direkte Aktualisierung von Dimensionen & Preisen bei Veränderung der Konfiguration

Edit grid structure:

- set grid structure in height, width & shape
- direct adjustment of dimensions & prices when configuration changes

Komponenten

components

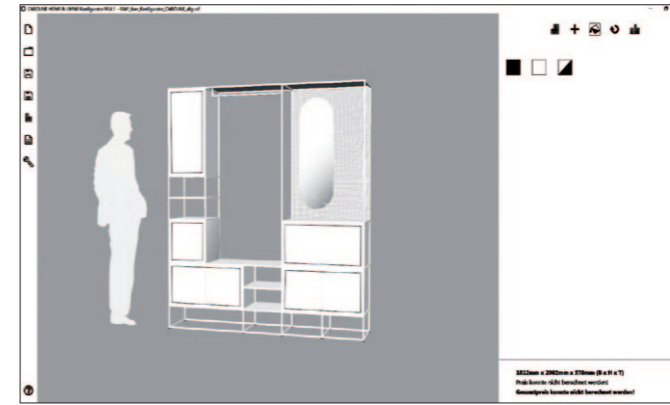

Komponenten hinzufügen/entfernen:

- aktuelle Konfiguration immer direkt als rotierbare 3D-Ansicht dargestellt
- alle Komponenten können nach Belieben per Drag & Drop eingesetzt werden

Add / remove components:

- current configuration always directly displayed as a rotatable 3D view
- all components can be placed as desired via drag & drop

Farben

colours

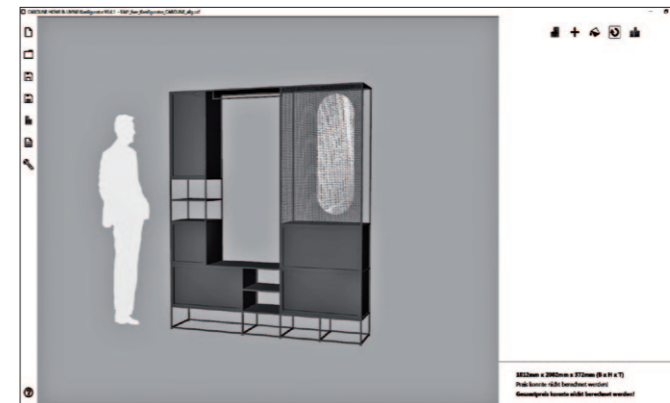

Farben für Gitterstrukturen & Komponenten auswählen:

- alles weiß oder alles schwarz
- Farben invertieren

Select colours for grid structures & components:

- all white or all black
- invert colours

Drehen

rotate

Einzelne Komponenten drehen:

Klicken Sie in diesem Modus einzelne Komponenten in der 3D-Vorschau an, um ihre Ausrichtung zu wechseln (bei drehbaren Komponenten).

Rotate individual components:

Use this mode and click on individual components in the 3D preview to change their orientation (for rotatable components).

Kombinieren

combine

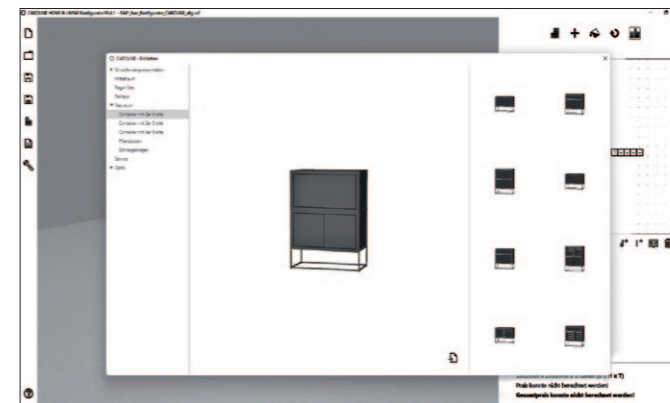

Bibliothek:

Aus der Bibliothek können Sie vordefinierte Module in die aktuelle Konfiguration einfügen und nach Belieben weiter bearbeiten.

Library:

You can add pre-defined modules from the library into the current configuration and edit them according to your preferences.

Im CAROLINE HOME & LIVING Konfigurator finden Sie alle hier abgebildeten Konfigurationen und können diese auch individuell anpassen und ausstatten. Einige Module sollten aufgrund ihrer Form und Größe an der Wand befestigt werden, um ein Kippen zu vermeiden. Bitte kontaktieren Sie uns für weitere Informationen!

In the CAROLINE HOME & LIVING configurator you can find all the configurations shown here and can also customise and equip them individually. Due to their shape and size, some modules should be fixed to the wall to prevent them from tipping over. Please contact us for further information!
